OUT OF THIS WORLD

Become an astronaut by creating your own piece of space with chalk and black paint.

TEA TIME

A natural piece by using paints created by plants, flowers, and berries. Enjoy a vibrant art piece provided by mother nature herself.

SURPRISE WATERCOLOR

Create a hidden masterpiece using a simple white crayon, then splashing color to reveal the drawing.

FACE PAINTING

A variety of designs created by the local Art Garden studio students. Transform yourself into a work of art.

GALAXY IN A JAR

A custom Mini-Milky Way galaxy for your nightstand. This galaxy in a jar is filled with color and sparkles to make a starry night.

BUILD A BUG

Conquer your fear of bugs! Use a variety of colorful materials to build your own bug friend.

SAND ART

Create your own unique work of art with a wide variety of beautiful & colorful sand.

FLOWER POWER POTS

Purchase a plant from the Herb Festival and place it in your very own custom flower pot, a one-of-a-kind gift for Mother's Day.

SPIN ART

See how centripetal force affects paint as it spins. Watch the colors spread apart to form a circular piece of art.

MINI-CHIHULY'S

Create a mini-replica of a Chihuly chandelier, using sharpies and plastic material.

GRAB-A-BAG

Stop Here first to create your custom grab bag to store your wonderful works of art.

WATER BOTTLE FLOWERS

Paint the bottom of a water bottle with your favorite colors to create a beautiful display of flowers.

FUN IN THE SUN

Paper treated with light sensitive chemicals turn your work of art into a solar design.

TIE DYE T-SHIRTS

Design an Herb n' Arts logo t-shirt with rubber bands and fabric dye. This shirt will include a list of our donors.

ZENTANGLES

For the second year Chapelfield Elementary students will lead a demo on making Zentangles.

FOAM PLATE PRINTS

Carve a custom design into a foam plate and cover it in color and press on a piece of paper to form a copy of your design.

ROCK PAINTING

At this station, pick out your rock and make a unique and artistic transformation.

BUTTON MAKER

With materials from Fab Lab create a memento of the day.
